## **Institutional Distinctiveness**

Our institution Veena Memorial College of Education has vast vision. As the vision of the institute focuses on three aspects:

1. Technically skilled 2. Innovativeness 3. Environmental Awareness. The institute has established its distinctive approach towards this comprehensive vision which is so unique to get the achievement in educational system. There are four pillars of educational system in district name which are steadfast in it

### **A. Excellence in Academics**

High quality of academic excellence can provide value added experience for the students. The positive outcomes are achieved by following the curriculum to meet the global requirements. Students got ranks in University of Kota, Kota. Teaching facilities are also good. The Global, Local, referential values are to be taken to teach the students. The structured induction of the of the student into the curriculum enables to visualize the carrier opportunities and approach towards achieving them.

### **B. Exploration of knowledge through research:**

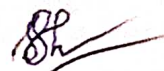

The future vision of the institute as determination to achieve the target of research and exploration. In present faculties are running on the research activity as a scholar in different University as in case of PhD institute provides library facility in academic support system. Faculties are also supportable to all the trainees at the institution.

### **C. Excitement of Innovation and Entrepreneurship:**

The institute provides good motivation in teaching learning process as a platform to students. On which student can run through anywhere and any side. Motivation and inspiration is given to them for knowledge of new innovations which are increasing day by day. Use of ICT or computer makes them perfect. It is very clear that new technology is used with new teaching aids and gets job in government and private job and takes entry in competition process in many types vacancies. Reading makes a perfect man and writing an exact man.

### **D. Experiment for development of a rounded personality with global and responsibility:**

Participation of students in co-curricular activities and extracurricular activities helps to enhance all rounded personality to strongly face the turbulent road of the future. Experiences and appreciations gained through internship, Career guidance, personal counseling. Main target of institute is to develop all round growth physical and mental for this institute provides facilities as water cooler, RO Plant, CCTV, Vehicle facilities etc.
